## Public Investigation in Rockford, Illinois

Now that Spring has sprung, kind of, it's time to get back out there and investigate! This time PIM, along with Haunted Rockford, invites you to join them to investigate TWO exciting locations, the Manny Mansion and the Barnes Mansion. Both are located just across the Illinois border in Rockford, Illinois.

These two beautiful Mansions have many claims of paranormal activity. Kathi Kresol of Haunted Rockford will share the history of the mansions and details of their

ghostly encounters and then PIM will show you how they use their equipment to try to capture evidence of the paranormal. Guests are welcome to bring their own equipment to use during the investigations.

The event will take place

on May 30th and the price of this event is only \$40. Tickets must be paid in advance. If you wish to join PIM and Haunted Rockford for this event please visit

[www.hauntedrockford.com](http://www.hauntedrockford.com) for more information and ticket sales.

We hope to see you there!

PIM will also have two additional public investigations for you to participate in. First is May 8th at the Best Place in Milwaukee directly after Horror-O-Rama. The second is June 6th at the Chudnow Museum of Yesteryear directly after the Milwaukee Paranormal Conference. # PIM's New Van

Last month PIM became the proud owners of a Ford E150 Econoline Van. We are so very excited to have a vehicle that will fit not only all the PIM members but all of our equipment too! This will be a big help for our local investigations but will certainly make our long "Paranormal Expeditions" much more comfortable and the working air conditioning is a huge advantage too!! We have had 3 long road trips in the past couple years, during the summer, without air conditioning.

**YIKES!!**

We couldn't be more excited to get on the road!
