## Happy Thanksgiving !

As we say goodbye to another busy October and venture into November we at PIM are reminded of all the things we have to truly be thankful for. This past month we held Library Presentations at Greenfield, North Shore, Greendale, West Allis, and Mequon Thiensville Public Libraries. We are extremely thankful for the support of not only these libraries but all the people who came, listened, asked questions, and participated. We also held a private presentation at the Milwaukee Public Museum with huge success. We at PIM could not do it without you, the public. At PIM we strive to educate through our newsletter, Facebook, Twitter, our public presentations, public events, investigations, classes and conferences. We are also thankful for the clients who confide in us, and trust us with their stories of their homes and businesses. Without you we wouldn't be able to continue our research. Without research we can't learn and hope to find scientific proof of what the paranormal is. We are also thankful for the opportunities this great community give us. We have been paired with many great people like, Allison Jorlin from Milwaukee Ghost Tours with whom PIM has investigated and also done presentations and conferences. Then there is Tea Krulos, freelance author who has been chronicling his time he has spent with PIM over the last few months. Tea shares his stories in his blog on OnMilwaukee.com and will be dedicating chapters in his new book about his time spent with PIM. There is also Marc Eaton, Sociology Professor at Ripon College, who has also spent time investigating with PIM for his own research that he plans to publish in the future. There are many others, too many to name, in the Paranormal Investigative family who we can thank for helping us on our journey through this mysterious field. We at PIM hope you all know how much we appreciate you and hope you stick with us through the long haul as we hope to break through the many mysteries surrounding this field.

Happy Thanksgiving Everyone!!

## Feeding America

PIM is really excited about the great response we have gotten from our library event attendees with respect to our efforts to collect donations for Feeding America. To date we have collected eighty-eight pounds of non-perishable food items and we aren't done yet. Thanks to all of you, there will be fewer hungry kids in the Milwaukee area! We are very touched by your kindness, and we will continue to make our library events a convenient place for you to donate food to the community. Thank you!!!

## Chicago Ghost Conference

October 4th and 5th PIM's own Jann and Gravy along with Jann's sister, Maggie, served as volunteers for the 5th Annual Chicago Ghost Conference! The Conference is hosted by haunted historian, Ursula Bielski, who runs The Chicago Hauntings Tour, and has authored several books about the Chicago area's haunted past. Ursula really outdid herself this year by booking great guests and making sure everyone had a great time.

The lineup was incredible this year! There were two speaking stages so people could go see big name paranormal celebrities like Jeff Belanger, Dave Schrader, Larry Arnold, Chris Fleming, John Zaffis and Josh Gates, on the main stage or they could go to the local stage to glean knowledge from local paranormal greats like Dale Kaczmarek, Jim Graczyk, and of course, Ursula Bielski!

Jann, Gravy with other working hard to thing went though it was joyed every said, "It was so part of the just attending. so appreciative did to make fortorable, and nice. Josh lute doll, and

a total sweetheart. I was intimidated by him at first, but he is very nice and incredibly friendly. I had met Jeff Belanger, Chris Fleming, Dave Schrader and Tim D before at a Darkness Radio event and they are also super fun. Jeff Belanger is seriously ODD, so 30 ODD Minutes is a very appropriate name for his show!"

PIM wants to send sincere thanks to Ursula Bielski for putting together such an incredible conference. We truly don't know where she gets the energy to do this, especially in the beginning of October which is busy season for anyone involved in the paranormal. We had a great time, and we would love to volunteer again next year!!

If you would like information on the Chicago Hauntings tour, please see <http://www.chicagohauntings.com/>.

**November 8th-10th: Brumder Mansion Public Investigation**

**November 15th-17th: Willow Creek Farm Investigation**

**November 22nd: Paranormal 102 Class Investigation**

**Public Investigation in Pembine, WI**

## Paranormal Education

Have you ever wondered what it would be like to be a Paranormal Investigator? Then you should join PIM founder Noah Leigh this month for his Paranormal 102 course. During this class you will learn the science behind Paranormal Investigation plus an in-depth look at the equipment that is used on investigations. To make it even more exciting this class will conclude with an actual paranormal investigation! This class will run November 6th through November 20th with the investigation on November 22nd at a local location! For more information please visit PIM's website.

On October 11th through 13th PIM returned for its 3rd visit to the Historic Four Seasons Resort in Pembine, WI. The Four Seasons Resort is a beautiful place with breath taking views of the Menominee River. It is a very luxurious vacation spot with rich history and many reports of paranormal activity. The claims are very playful making this place perfect for holding public investigations as well as a private investigation. PIM had the opportunity to hold both our own private investigation on Friday night and a public one on Saturday night. The weekend was full of activity, starting with a presentation by PIM on Saturday afternoon, followed by a delicious prime rib dinner, and afterwards a public investigation. During the investigation everyone was very cooperative and did a great job participating. We had a few exciting moments and everyone had a fantastic time!! The next morning we all woke up to a delicious buffet of food in the Autumn Salon which was once the private suite of legendary gangster Al Capone. The breakfast was also a great opportunity for PIM members Tony, Missy, Noah and Jann to speak with the people who joined them the day before for the presentation, dinner, and investigation. It seemed unanimous that everyone had a great time and looked forward to future public investigations! PIM will be returning again some time after the snow has melted in the spring.

PIM would also like to thank the owner and the staff of The Four Seasons Island Resort for all their hard work and accommodations. The food was delicious, the hotel suite was beautiful and the atmosphere is truly 5 star quality. We can't wait to return!!

### Recent Investigation News/Highlights

- On October 4th-6th PIM members Jann and Gravy traveled to Chicago for the Chicago Ghost Conference. Please see article on page 1 for more information on this event.
- On October 10th PIM kicked off their October Paranormal Presentations with a private event at the Milwaukee Public Museum. This was very well attended and everyone had a great time. Thank you MPM for giving PIM this opportunity again for the second year in a row.
- October 11th-13th PIM traveled all the way to Northern Wisconsin to investigate the Four Seasons Island Resort in Pembine, WI. Please see the above article about this fantastic trip!
- On October 19th Jann, John, and Gravy investigated a private residence in Milwaukee, WI. PIM was contacted by the home owners because of strange activity they had been experiencing but mostly because their children were scared. Evidence review is still ongoing at this time but PIM hopes to be able to ease the minds of this family with their findings.
- During the day on October 26th PIM members Noah and John visited the Osher Lifelong Learning Institute to give a Paranormal Presentation. It went great and PIM hopes to work with the Institute again in the future.
- PIM was invited to give a presentation at the Moonlight and Mayhem Halloween Party at the Chudnow Museum of Yesteryear located at 839 N. 11th St. in Milwaukee. This was a great event with costumes, tons of food and drinks and Halloween fun. Allison Jornlin of Milwaukeeghosts.com started the evening with a great presentation about haunted locations in Milwaukee. Everyone then headed downstairs to grab some amazing food and spirits (not the ghostly sort!) before Paranormal Investigators of Milwaukee took the stage. The presentation was given by PIM investigator, Gravy, with John, Jann, and Chris in the audience for support while sampling delicious pumpkin beer! This was a very intimate venue, and for us it was more like being guests at the party than presenters. This was truly a great time, and we would love to come back next year!! The Chudnow Museum of Yesteryear is a great place to spend an afternoon learning about the city of Milwaukee. For more information see <http://www.chudnowmuseum.org/>.

**PIM offers scientific investigations of suspected paranormal activity in homes, businesses, and historic sites. We pride ourselves on providing confidential, professional services free of charge.**

**To have PIM conduct an investigation for you, contact Noah Leigh (Lead Investigator) through our website or by the phone number listed above.**

**We look forward to meeting you at a public event, investigating with you, or just hearing from you on Facebook or Twitter!**
